For one multinational mining company, **U-Verify delivered:**

50%

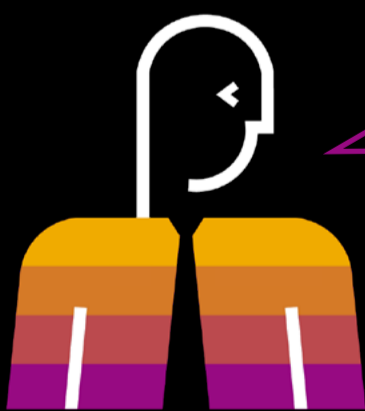

total cost savings*

80%

reduction of operating costs*

99%

faster and more efficient scan cycles, reduced manual operation, machine learning analysis*

“ Having to manage a massive external workforce and thousands of suppliers, we implemented SAP Fieldglass. We soon realized that manual mass document verification is time-consuming and error-prone. U-Verify by Stratesys, integrated with SAP Fieldglass solutions, gives us the opportunity to automate thousands of document verifications based on rules, while avoiding human errors and legal liabilities. ”

Isabel Leal Gil - Head of Global HR IT & Processes, El Corte Inglés S.A.
